### 148' Spools and Custom Cuts

SKU#: NRL-45\*

CC-N-\* (Custom Cut, Specify Length - 34-39" intervals)

B-Blue, CW-Cool White, G-Green, O-Orange,

P-Pink, R-Red, WW-Warm White, Y-Yellow

### PRODUCT INFORMATION:

Brilliant Brand 120V LED Neon Rope Lights consist of LEDs encased within a PVC protective casing which is molded into a patented shape. LED Neon Rope Lights offer the easiest and most economical replacement to standard glass neon accents. Because of their extraordinary ability to mimic the consistent lighting effects of glass neon, LED Neon is the best option available to create signage, perimeter accents, or for any other application where glass neon has traditionally been used.

### BENEFITS:

**Extreme Durability** - LED neon rope lights are known for their strength and flexibility. LED neon will last longer, perform better in cold weather, is less prone to failure and easier to fix compared to traditional glass neon.

**Energy Efficient** - LEDs produce the same evenly disbursed light as traditional neon at a fraction of the energy usage. You can realize up to 80% energy saving with LED neon!

### SPECIFICATIONS

- Input: 120V AC
- Power Consumption: 1.46 Watts/ft
- Colors: Blue-B (35" cuts), Cool White-CW (35" cuts)  
Green-G (34" cuts), Orange-O (39" cuts)  
Pink-P (39" cuts), Red-R (39" cuts)  
Warm White-WW (35" cuts), Yellow-Y (39" cuts)
- LED Count: 36 LEDs/m
- Lumen Output: up to 2 lumens/LED
- LED Spacing: 0.49"
- Light Output: Directional
- Lifetime: 50,000 Hours
- Dimensions: 0.625" W x 1.02" H
- Materials: PVC with UV Protectant Additive
- Temperature rating: -60° F - 130° F
- Max run length: 151'
- Cutting Interval: Varies by color - see above
- Ingress Protection: IP44 (IP65 with properly sealed connections)
- Dimmable: Yes, with LED compatible dimmer
- Warranty: 2 Years

To avoid damaging LED Neon rope lights ensure that any bending or curves have a diameter of greater than 10cm.

Do not bend LED Neon rope lights at sharp angles, this will damage the internal circuitry and void the warranty.

Repeated and continuous bending of LED Neon rope lights may damage the internal circuitry and void the warranty.

LED Neon Rope Light Power Cord, Shrink Wrap & End Cap pre-installed on all spools and custom cuts
