CC-V-^{*}RGB (Custom Cut, Specify Length - 39" intervals)

PRODUCT INFORMATION:

Brilliant Brand RGB LED Rope lights consist of 3 rows of bright and durable red, green, and blue LEDs encased in high quality UV protected PVC. There are also many different lighting effects, through use of controllers, which give you the ability to create multiple steady burn colors as well as dazzling color changing effects in both indoor and outdoor lighting applications.

BENEFITS:

Color Changing - 7 different steady burn colors: red, green, blue, yellow, cyan, magenta, and white are created by each separate row or a combination of the red, blue, and green LEDs.

Lighting Effects - RGB LED rope lights produce a variety of lighting effects including: flashing, fading, color change, and chasing.
