Dimmable LED Panel Light - 2' x 4'
SKU#: PAN-24PL50W*
- 5K - Cool White
- 4K - Natural White
- 3K - Warm White (special order)

PRODUCT INFORMATION:
Now is the time to get our new DLC listed LED panel lights and save more than 75% on energy costs compared to a standard fluorescent troffer, recessed or suspended fixture. These high lumen output LED panels produce are extremely bright while remaining very energy efficient, and feature side lit SMD LED technology which produces a flicker-free uniform light throughout the panel. Fit these super slim LED panels perfectly in ceilings, recessed, or hanging applications commonly found in offices, schools, retail shops, medical facilities and many other interior design applications.

BENEFITS:
Uniformity - Each panel is side lit using advanced SMD LEDs which offer perfect light uniformity with out flickering.

Dimmable - Each panel can be dimmed with the included 0-10V dimmable driver.

Efficient Longevity - Rated for 50,000 hours plus save more than 75% energy compared with traditional fixtures.

SPECIFICATIONS
Power Consumption: 50W

Input Voltage: AC100-277V

Wattage Equivalent: 200W

Color Temperature:

Cool White - 5,000K,

Natural White - 4,000K

Warm White 3,000K (special order)

Lumens Delivered:

CW: 5486.4LM - NW: 5181.1LM - WW 4820.56LM

CRI: 82

Lifespan: 50,000 hours

Dimmable: Yes, 0-10V

Operating Temperature: -20°C - 50°C (-4°F - 122°F)

Housing: Aluminum Alloy + PC shell

Lens: Frosted

Mounting: Recessed ceiling mount, hanging

24" x 48" x 0.378" (thickness with driver 1.65")

Certifications: DLC, UL, FCC, CE, RoHS, TUV, ISO9001

Warranty: 5 year limited warranty

Application: Indoor use only
