

16.4' Spools

SKU#: STRP5050-22VW

PRODUCT INFORMATION:

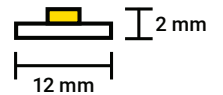

The best solution for getting the perfect white light - Brilliant Brand 12V Variable White LED strip lights. These 12V LED strip lights use both cool and warm white LEDs, allowing you to adjust the strip light's color temperature from 2,900K to 6,000K with our Variable White Strip Light RF Controller (sold separately). The Variable White LED light strip is available on 16.4 foot spools and can be easily cut every 2". It's peel-and-stick adhesive backing and simple 3-wire system makes installation easy and quick.

APPLICATIONS:

- Kitchen Cabinets and Shelves
(kick board lighting, under cabinet, nightlight)
- Bathroom Counters (kickboards and nightlights)
- Closets / Attics
(places with insufficient lighting, or that are hard to light)
- Movie Theater / Game Room
- Vehicles (interior and exterior lighting)
- Weddings / Events
