

16.4' Spools

SKU#: STRPCOB-65*

CW-Cool White, WW-Warm White

PRODUCT INFORMATION:

The latest innovation in lighting technology: the 24-volt FCOB warm white strip lighting with IP65 rating. Designed to illuminate your space with a cozy, inviting ambiance, these strips offer unparalleled versatility and durability. With their compact form factor and efficient FCOB (Flexible Chip-on-Board) technology, they provide uniform and glare-free illumination, perfect for a variety of applications including residential, commercial, and outdoor settings.

APPLICATIONS:

- Kitchen Cabinets and Shelves (kick board lighting, under cabinet, nightlight)
- Bathroom Counters (kickboards and nightlights)
- Closets / Attics (places with insufficient lighting, or that are hard to light)
- Bedrooms (bed frames, headboards, ceilings, kickboards)
- Movie Theater / Game Room
- Weddings / Events
