

### 148' Spools and Custom Cuts

SKU#: NRL-45RGB

CC-N-RGB\* (Custom Cut, Specify Length - 52" intervals)

#### Product Information:

Brilliant Brand 120V LED Neon Rope Lights consist of LEDs encased within a PVC protective casing which is molded into a patented shape. LED Neon Rope Lights offer the easiest and most economical replacement to standard glass neon accents. Because of their extraordinary ability to mimic the consistent lighting effects of glass neon, LED Neon is the best option available to create signage, perimeter accents, or for any other application where glass neon has traditionally been used.

#### BENEFITS:

**Extreme Durability** - LED neon rope lights are known for their strength and flexibility. LED neon will last longer, perform better in cold weather, is less prone to failure and easier to fix compared to traditional glass neon.

**Energy Efficient** - LEDs produce the same evenly disbursed light as traditional neon at a fraction of the energy usage. You can realize up to 80% energy saving with LED neon!

WEATHERPROOF DELUXE CONTROLLER

MINI INLINE CONTROLLER

RGB LED Rope Light controller required for color and effect selection, sold separately.

#### SPECIFICATIONS

- Input: 120V AC
- Power Consumption: 1.4 Watts/ft
- Colors: Alternating Red, Green, and Blue LEDs
- LED Count: 36 LEDs/m
- Lumen Output: up to 2 lumens/LED
- LED Spacing: 0.49"
- Light Output: Directional
- Lifetime: 50,000 Hours
- Dimensions: 0.625" W x 1.02" H
- Materials: PVC with UV Protectant Additive
- Temperature rating: -60° F - 130° F
- Max run length: 148'
- Cutting Interval: 52.0"
- Ingress Protection: IP44 (IP65 with properly sealed connections)
- Controller required for use, sold separately
- Warranty: 2 Years

To avoid damaging LED Neon rope lights ensure that any bending or curves have a diameter of greater than 10cm.

Do not bend LED Neon rope lights at sharp angles, this will damage the internal circuitry and void the warranty.

Repeated and continuous bending of LED Neon rope lights may damage the internal circuitry and void the warranty.
